Clerk.....

PRESENT:- Cllrs Messrs A Burnell, J Haines, Clerk P Evans

1. TO CONSIDER:

1.1 The Firework Display, Saturday 2nd November 2019

All potential suppliers for the Firework Display will be invited to tender.

Firework Display

The Clerk has received communication from 2 fireworks providers, Nightlife and Nemesis, it was **RESOLVED** to contact both plus Pendragon who provided the display in 2018.

Fire Show

Cllr Burnell has received a quote from Citrus Arts in Pontypridd regarding a fire show. It was **RESOLVED** to also contact Organised Kaos, who did the fire show in 2018, and another provider for three quotes.

First Aid

It was **RESOLVED** to contact St John's Ambulance and All Wales Ambulance, who provided first aid cover last year. Cllr Haines will provide the Clerk with contact details for another company.

Security

Rocket Security have quoted the same price as last year. It was **RESOLVED** to look at other security companies before making a decision.

Toilets

Tip Top Toilets have quoted the same price as last year. It was **RESOLVED** to look at other companies before making a decision.

PA

Cllr Burnell has been contacted by Kevin Garland who has quoted £150 plus the hire of a generator. He would also require a gazebo/marquee. It was **RESOLVED** that Cllr Burnell also contact SMS Audio who provide the PA for the Festival.

Vendors

The contribution from the vendors was discussed. Last year the larger vendor (Freemans) paid £50 while the smaller vendors (Cruz Coffee, Crazy Crepes, Johnnie's Ices) all paid £25. This matter to be discussed with larger council at the next meeting. It was **RESOLVED** to contact the same vendors regarding their attendance at the display this year following this discussion.

Due to the bad weather conditions last year, it was agreed that holding the display at the Rec would be a good alternative due to people being able to sit in the grandstand. However, this would only be on the condition that Health & Safety allow it, due to the proximity of the houses on Heol-y-Plwyf. It was **RESOLVED** that Cllr Burnell contact Sian Bolton to check on the feasibility. If Health & Safety allow us to use the top pitch, the hardstanding above the tennis courts could be used for disabled parking (on a first come, first served basis). It was agreed that the Rec would be better for public access and ambulance access than the Lady Windsor site. Cllr Haines stated that if using the top pitch was not possible, perhaps we could look at the bottom pitch instead (where the Festival fireworks are held) and the public could view them from the hardstanding above the tennis courts.

Cllr Haines also suggested that, as the date was very close to Hallowe'en, that a children's fancy dress competition be held with a prize for the winner.

It was **RESOLVED** to provide glo-sticks free of charge again for all children attending.

Meeting closed at 7.40 pm
